Springtime, theme for the 1960 Junior-Senior Prom was truly one of the most unique.

Natural flowers were used to carry out the theme with a variety of pastel shades.

Music for the evening was provided by Dave Emery and the Starlighter Orchestra from Bazine, Kansas.

Dedication

We the Rhorea Staff of '59-'60 wish to dedicate this publication to Mrs. Lillian Haskin. In appreciation for the unselfish hours she has devoted to making the school library outstanding, we want to say "Thank You."

Although busy in the library, she is always willing to lend a helping hand when students are having difficulty with assignments and projects.

May this place in the book remind her of the esteem and respect the students and faculty have acquired for her during the past years at GBHS.

The Board of Education Forms School Policies

Above, the Board of Education at one of its monthly meetings conducts the business for the school system. Members of the Board are Harry Lytle, Mrs. George Schumacher, Dr. M. O. Steffen, H. P. Colegrove, Clerk; Hody Thies, President; Edward Opie, Treasurer; Ira Farmer, Vice-President; Robert Larson, and D. V. Swartz, Superintendent of Schools.

D. V. Swartz, Superintendent of Schools, works all year to coordinate the city school system.

Through the unceasing work of the members of the Board of Education and the school administration, GBHS has become one of the best in the state.

The Board of Education often works late in the evening to formulate school policy. Students of the Great Bend schools have been provided with regulations which the Board believes to be best for the majority.

Administration and Secretarial Staff

Having worked in their offices throughout the entire summer, the administration entered the new school year with many decisions behind them and many more decisions to meet. The secretaries have worked hard to meet the many deadlines which have been presented.

The work of these people never ceases, as they work for the betterment of the entire school and the community. We, the Rhorea staff, wish to show our appreciation on behalf of the student body, the faculty, and the community to the Administration and the Board of Education.

Enjoying the fall open house by having refreshments are Mrs. Scheuerman and Mr. and Mrs. W. E. Barfield.

Guidance and Sponsoring Activities

Guiding and assisting the students are only a few of the many activities of the teachers. By sponsoring clubs, organizing activities, and supervising dances, the teachers are always busy, with few moments to spare.

However, these faculty members are always ready to hear new suggestions, and are never too busy to lend a helping hand. We, the Rhorea Staff, say "Thank you" for the patience you have shown us through the years.

At the reception for student teachers, Miss Stallard and Mrs. Davis are evaluating a student's theme.

Interested in Well-Being of GBHS

In order to accommodate the 700 GBHS students in the closed noon hour, additional cooks were hired for 1959-1960. The closed noon hour requires that students and faculty members eat in the cafeteria at noon, whether they bring their lunch or buy the cafeteria food. Mrs. Anna Folkerts, GBHS supervisor, has done a fine job in planning the menus under direction of Mrs. Gordon Hayes, hot lunch co-ordinator for the city schools.

Classes

Senior Class officers are Jean Komarek, treasurer; Franklin Shobe, cheerleader; Mike Colpitt, president; Janice Keller, vice-president; Peggy Ohl, secretary.

As the Senior Class of 1960 looks back over the years, they recall many lasting memories which will inspire them toward new horizons.

Starting their career at the Senior High School, the Sophomore Class numbered 261. In 1957 a Safety Program was promoted. The class of 1960 won the trophy to highlight the year.

As Juniors this class achieved success in presenting their Three-Act play entitled "Gentlemen Prefer Blonds" and the Junior-Senior Prom, "Gaite Parisienne." The One-Act play entitled "Balcony Scene" was selected for state competition from the class plays. An original money-making project was selling movie discount cards. Again the class won the safety award trophy.

The last, but most memoriable year of all had some firsts, the closed noon hour and the dress code. The Senior One-Act "Special Guest" was winner of the class plays. Scholastically the class of 1960 has excelled by acquiring outstanding recognition.

On May 27, President M. C. Cunningham of Fort Hays delivered the commencement address to the 200 graduates. The graduating class of 1960 left the halls of GBHS in their black and white robes with their Alma Mater echoing in their ears never to walk as a group again.

Entering school with high hopes and ambitions for the best year yet, the 223 juniors of '59 and '60 worked hard toward accomplishing their goals.

Money-making projects they engaged in were working at concessions, selling movie discount cards, presenting a three-act play, January Thaw, under the direction of Emerson MacDonald, and selling the high school memory book "My School Daze."

Originality was shown by the four member committee in the selection of the ring for the class of '61. The juniors had the choice of five different stone mountings on which is super-imposed a variation of the Panther crest which displays more of the panthers side view. The basic ring design is rectangular with a concave pattern to the stone. Also new is the use of the three individual initials.

The high-light of the year was the Junior-Senior Prom. The decorations carried out the theme in a unique manner.

Working with these students through the years were the following sponsors: Mr. Smith, chairman; Mr. Hague, Mrs. Haskin, Mr. Howell, Mr. Karraker, Miss Lundstedt, Mr. MacDonald, Mrs. McMannis, Mrs. Marshall, Mr. Nelson, and Miss Tubbs.

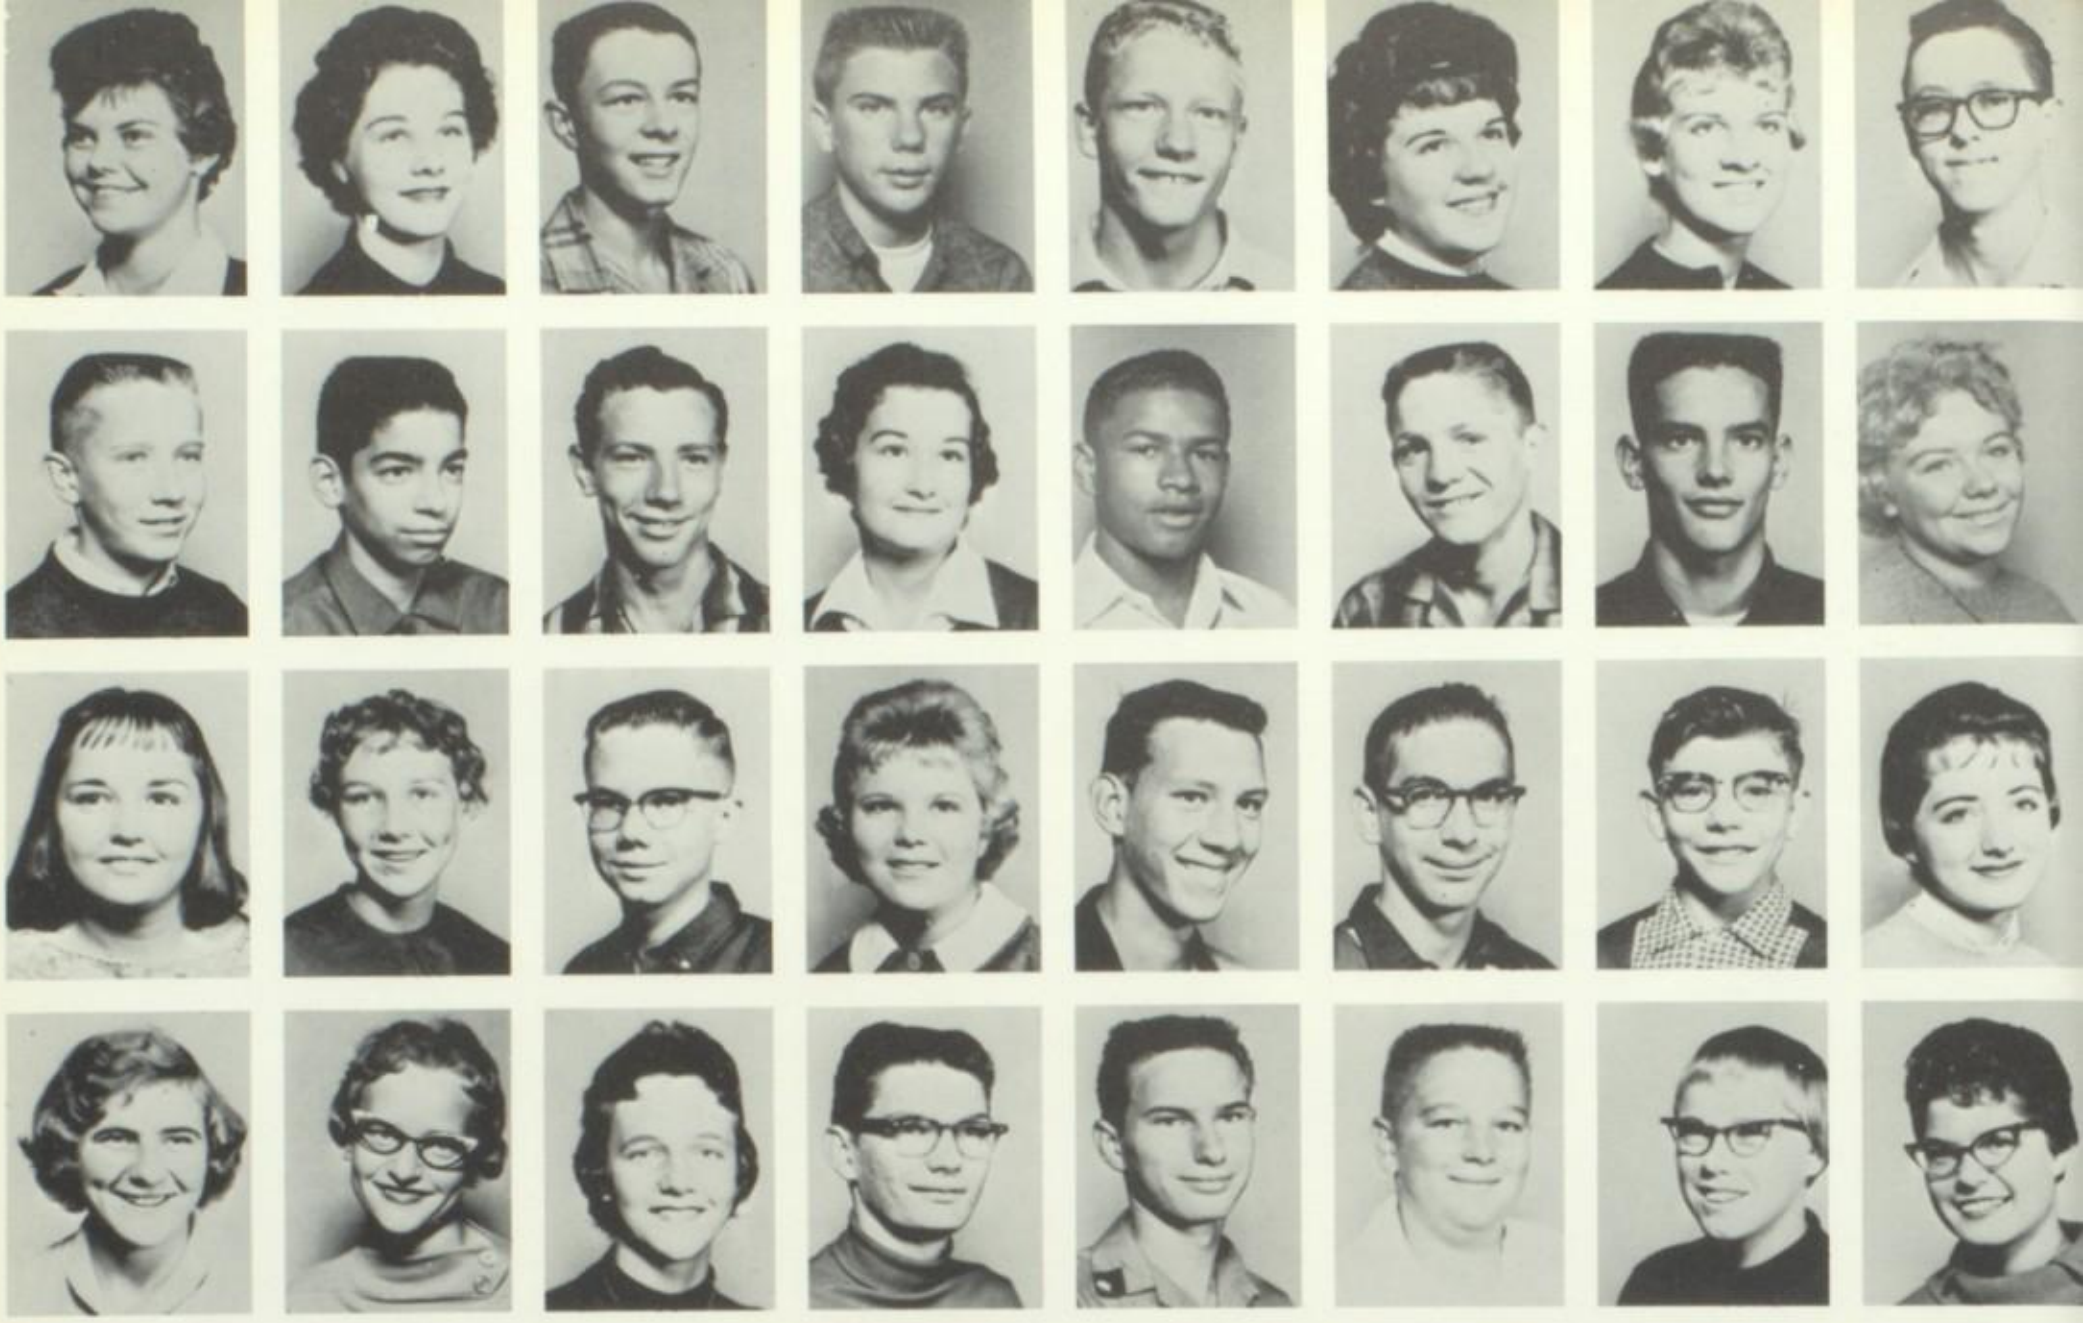
Sophomores Vie for Leadership



Sophomores displayed outstanding leadership by the way they met the challenge of high school. Orientation for the 257 students started off the year and the election of class officers and cheerleaders followed.

Members of the class worked hard at concessions, decorated for dances and participated in other events of the year. They broadened their experiences by being represented in sports and various school organizations.

StuCo Studies Problems & Offers Solutions

As one of the most important organizations at GBHS, the Student Council functions to represent the needs, wants, and interests of the students and faculty. Cooperation between students, faculty, and administration makes it possible to preserve the traditions and standards of GBHS.

Comprised of the home room presidents, class presidents, and Jim Suellentrop, president of the student body, the StuCo numbers thirty.

A safety club was organized by Dan McGovern and approved by StuCo early in January. The purpose of this club is to study solutions to local traffic problems and to communicate the ideas to the student body as a whole.

Under supervision of H. A. Starkey and Cecil Dryer, sponsors, StuCo has solved a number of problems during years past, and has promoted numerous worthwhile projects.

Planning projects for the Student Council are StuCo officers Penny Leek, secretary; Jim Suellentrop, president; Richard Smith, vice-president; Karen Swartz, treasurer.

Presiding at a StuCo meeting is Jim Suellentrop. FRONT ROW: Carolyn Sullivan, Dan McGovern, Ron Ross, David Marmie, Wes Weathers, Don Christiansen, Mike Colpitt. Project Planning Keeps Council Active

Planning one of the many annual projects are Ann Bagby, Larry McCormick, Jim Suellentrop, President; Cheryl Weatherbee, and Penny Leek, Secretary.

Name Twenty Seniors in Upper 10 Per Cent

Top flight seniors Steve Hagen, Barbara Martin, and Karen Swartz deserve the recognition of being in the upper 10 per cent of their class.

The 1959-60 Senior Scholastic Honor Group numbered 20 this year. Students who achieve this recognition not only receive high grades, but also participate in many extra-curricular activities. The honor awards are received in the recognition assembly at the end of the year.

The group pictured represents seven semesters of work, but the final selection is not made until after the eight semesters are completed. This is a high honor in GBHS and those who acquire this honor will surely be the leaders of tomorrow.

Speech Winners Get High Ratings

Those pictured on this page are the winners of the local forensic competiton. Interpretive, extempore, orations, readings, and informative speeches are the different categories in which the speech winners participated. The record of those who received one ratings was high this year. The students who won in the local meet were eligible to go to the WCKL contest at Pratt and to the regional at Hays. The winners of the WCKL contest and the regional were eligible to go on to state.

The sponsors for this activity are Mr. MacDonald and Mr. Nelson.

Howard Wikle received a number one on his oration at the WCKL speech contest at Pratt.

Richard Smith was a local forensic winner who received a number one rating on his reading.

Students Work to Qualify for N.F.L.

National Forensic League promotes the interests of interscholastic debate, oratory, and public speaking by encouraging a spirit of fellowship and by conferring upon deserving candidates a worthy badge of distinction. There are four degrees in NFL work--merit, honor, excellence, and distinction being the highest degree. Students accomplish the different degrees by points awarded for speeches, debate contests, and forensic contests.

The officers of NFL strike a familiar pose around the speaker's stand. Karen Gillig is secretary-treasurer; Dan McGovern, president; and Becky Vaught, vice-president.

Two members of National Forensic League who have been active in class plays are Don Williams and Jean Komarek.

FRONT ROW: John Hayes, Diana Pugh, Melinda Mitchell, Marcene Moser, Karen Gillig, Mr. Nelson. SECOND ROW: Jerry Wagnon, Lucien Phillips, Howard Wikle, Dan McGovern, Beckie Vaught, Marsha Hoge. THIRD ROW: Don Williams, Reggie Bessmer, Robert Gingrich, Frank McIntire, Mary Belle Hollaway, Franklin Shobe, Richard Smith.

Debate Squad Has Busy Program

Two experienced debaters, Dan McGovern and Beckie Vaught, check over note cards before presenting rebuttal speeches.

The Great Bend Debate Squad entered in thirteen invitational debate tournaments, and a number of dual debates with surrounding schools. They took part in 223 rounds winning 64 of them or 30 percent of their debates.

Great Bend was host to their fourth invitational debate tournament with 25 schools attending and with 58 teams represented. Moundridge won the first place trophy and Wichita East second. Dan McGovern, Beckie Vaught, Marsha Hoge, and Don Williams placed fifth at the District tournament, at Dodge City. The Debate Squad had 19 members-8 seniors, 5 juniors, and 6 sophomores.

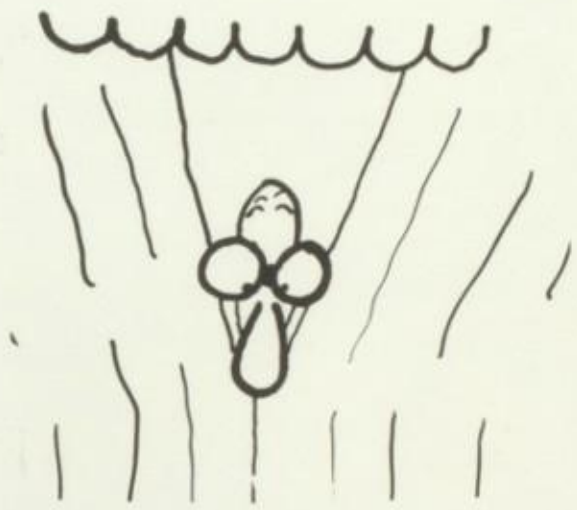
The debate topic was, "I resolve that the United States should increase the regulations of labor unions." Helping the students collect and organize their material was the sponsor, Forrest Nelson.

Several experienced debaters Marsha Hoge and John Hayes point out important factors which will help Diana Pugh and Melinda Mitchell in future debates.

Mary Belle Hollaway and Karen Gillig improve on their form of debating in front of the class.

Reggie Bessmer, Robert Gingrich, and Lucien Phillips collect information for debate tournaments.

Work to Improve Techniques



Mr. Nelson approves of the arrangement of Marcene Moser's material for the oncoming debate.

The debate sponsor, Mr. Nelson, is doing some research on the debate topic of next year.

Bringing the books up-to-date and pushing yearbook sales is the responsibility of business managers, Vicki Gunn and Jane Persinger.

Jackie Schlessiger, Jan Wesley, and Karen Swartz prepare and type final copy.

Proves Profitable Experience

The Rhorea staff worked hard to accomplish their goal, the 1960 Rhorea. They acquired knowledge of many phases of Journalism by composing copy, drawing dummies, and typing the final layouts. Both staffs agreed on "Silhouettes of Time" as the theme for the book.

Two of the important meetings attended by both staffs were Myers' Yearbook Day and Journalism Clinic at Kinsley. Only the editors and a photographer were present from GBHS at the Clinic.

The only elected positions on the staffs are editors and business managers. Both staffs were ably guided by Miss Alice E. Unruh, journalism adviser, and Jack Karraker, art instructor.

Studying yearbooks to find a new way to tell the story are Karen Armstrong, Gloria Johnson, Delores Dunekack, and Pat Petz.

David Bivins and Stephen Hagen, editors of Panther Tales, guided their staff toward producing an outstanding paper.

Providing feature stories for Panther Tales was the problem of Carol Leinmiller, Sally Barfield, Jim Adams, Don Bertram-chairman, Scarlett Darnell and Barbara Long.

The society staff which included Joe Lopez, Carol Standley, Mary Lou Steinbacher, Charles Gibbs and Dian Stoskopf-chairman, covered news from clubs and various school organizations.

Panther Tales Staff

The school paper, Panther Tales, is recognized for its coverage of school events in the fifteen issues published during the year. On the days the papers are distributed, members of the class arrive from 7:15 to 7:30 to fold and prepare papers for sale.

During the year students obtained practical experience in advertising, writing and processing copy while working toward a better and bigger paper. With the help of Miss Alice Unruh, the journalism instructor, the class performed an outstanding service for their school and community.

Special assignments kept members of the staff working long hours. Don Bertram and Wes Weathers reported the results of the home games to the various newspapers and television stations throughout the area.

PANTHER TALES

PANTHER TALES is the official newspaper of the Greatt Bend High school, Great Bend, Kansas. It is published every two weeks by the Journalism class, and is printed by the Great Bend Herald-Press. Single copies are ten cents and subscriptions are one dollar and thirty cents by mail.

Journalists Work to Qualify for Honor Awards

Quill and Scroll, an honor society, is composed of Journalism students who are interested in the success of the school paper and yearbook.

The Rhorea, Panther Tales, and Commercial Art staffs are all eligable for this society if the students maintain a B- average during the school year.

The three classes work individually, yet all are striving to reach the same, common goal, "Better Journalism for Tomorrow."

This year the classes worked hard to achieve the goal that was given them at the beginning of the year.

Miss Alice Unruh, copy adviser and Mr. Jack Karracker, art adviser sponsored the classes.

Organizations

B-team cheerleaders Lynda Lynch, Sherri Johnston-head cheerleader; and Pat Wise--spiritedly lead the cheers for the B-squad of the basketball team and also helped with pep assemblies.

Varsity Cheerleaders

Enthusiastically supporting their team, the varsity cheerleaders--Carolyn Sullivan, Peggy Ohl, head cheerleader; Karen Clarke, Jackie Schlessiger, and Janet Herl --planned original skits for pep assemblies. The pep club, sponsored by Miss Janis Simmons, helped carry out these programs.

Form All-Girl Pep Club for '59

Starting the year of 1959, the Panther Pep Club was organized into an all girl pep club. One- hundred fifty joined the new organization. With the outstanding performance of the students, the club served its purpose well. The help and advice from the club sponsor Miss Janis Simmons made this accomplishment possible.

One of the first events of the year was the election of B-team cheerleaders. These students tried out before the other members of the club.

The next activity of the year was the election of officers.

The receiving of red v-neck sweaters was another of the highlights of the eventful year.

Kayettes Build for Tomorrow

Kayettes is a part of the Kansas Association for Youth Program carried out through the state for teen-age girls in Kansas high schools.

This organization is built around the Motto: "Today for Tomorrow" and the Slogan: "Laugh, love, and lift."

Kayettes endeavor to maintain the high ideals of their organization, to make their personality a positive influence in the life of their school and community, to understand the pre-eminent power of a vital religion and to help pass on to future members an association which will be a source of joy and satisfaction.

To start the activities rolling before school, the Kayettes handled a book exchange. This was opened while enrollment for the next year was in process. The book exchange enables students to sell or obtain used books which in turn helps the teachers start classes right away.

Earning Money for Club Projects is Fun

Raising money for projects was done by selling red and black book covers with the mascot, a black panther, on the front and a picture of the building on the back. Also working at concession stands during both game seasons added to the club treasury.

The money brought into this organization was used for Kayette projects.

Have Leadership Training at Camp

Giving gifts to the needy was a project of great interest to the Kayette group. At Thanksgiving time baskets of food were sent to two families. At Christmas time the Kayettes, representing Santa Claus, gathered clothing and toys for two needy families.

Six girls attended Kayette Camp at Rock Springs Ranch, Junction City, Kansas, at two different sessions. These sessions lasted five days each during the last summer months. In the fall ten girls and two sponsors attended the Regional Kayette Conference at Dodge City, Kansas. The theme for this meeting was "Show Them."

The mothers of the Kayette members were honored by a Valentine Tea, Sunday, February 14.

Installation of officers was a part of the regular program in April.

Projects and Special Events

This year as in past years, the Kayette-Hi-Y dance in December was the most important event in which Hi-Y participated. The theme "Misty" was portrayed by strings of colored lights alternating with balloons sprayed silver and gold and sprinkled with glitter. A large white feather tree was used as a centerpiece on the serving table.

The group heard a number of interesting speakers including Dale Carpenter, high school history instructor, and E. R. Blish, president of the Great Bend Safety Club. A film on the K.U. relays was shown in October.

The boys again prepared the annual Christmas basket which was gladly accepted by the needy family. Hi-Y voted to have a club picnic in the spring.

Future Farmers Attain High Honors

Aiming for the development of agricultural leadership, cooperation and citizenship, the members of the Future Farmers of America achieved their goals. Under the guidance of Fred Schultis, the boys served a Father-Son Chili feed in November and a Parent-Son Banquet in May. Members of the FFA attended the Kansas State Fair at Hutchinson, where they entered a farm mechanics exhibit.

The District Officers Leadership Training School was at Buhler. This group took part in the ritual contest and won first place. High honors came to the chapter when Gary Foster was named Master Ritual Chairman.

The organization sponsored a rodent control program, an intramural basketball team and a field day at the Lewis Hereford Ranch near Larned.

Preparing for the state judging school at Manhattan, the boys entered judging schools at Hays, Haven, and Buhler.

Future Homemakers Test for Membership

FHA members this year numbered 185. For the first time students were required to take a test over the creed, motto, Prayer Song, and the State Song before receiving membership. At the beginning of the second semester girls were given another chance to pass the test and become members.

In October thirty-four members of FHA and advisers, Mrs. Scheuerman, Mrs. Hunter, Mrs. Swartz, and Mrs. Carpenter attended the District convention at McPherson, Kansas. The theme, "Blueprint for Action," was presented in the various talks and skits throughout the day. The girls participated in discussion groups which ended the convention.

Present Panther Parade

Reporting school news and events was the job of Stephen Hagen and Larry Knupp On Panther Parade every Sunday afternoon at 1:30. These two students played popular records and discussed the major school activities of the week. Another interesting feature of the program was the interviewing of students and teachers of GBHS.

The broadcasting was enjoyed by everyone. These two boys should be commended on the fine job of public relations they did for the school and community.

Co-operating with KVGB are Stephen Hagen and Larry Knupp who prepare copy and tape for a broadcast of Panther Parade.

Corrigan Week was a special week set aside from March 15 to March 19. In the tradition of GBHS, Corrigan Week gets its name from "Wrong-Way Corrigan", a man who acquired his nickname by flying east instead of west, the correct direction for his destination.

The Pep Club, sponsored by Miss Janis Simmons, decorated the gym for the March 19 Corrigan Dance. The decorations for the walls consisted of silhouettes of girls chasing boys to carry out the leap year theme. A blue throne covered with silver sparkle was the center of attraction.

To highlight the evening the Corrigan King, Jim Suellentrop, was crowned at 9:30 by Peggy Ohl, president of the Pep Club.

How the Panthers Did It

The Great Bend Black Panthers captured the 1959 WCKL league championship with a record of seven wins and one loss. The Panthers were undefeated in league play, dropping their only game to Salina. The Panthers started the season with a surprising upset over the Hutchinson Salt Hawks. This season's games were played on unusually wet and muddy fields. This did not seem to hinder the Panthers too much.

Through the courtesy of the Great Bend Tribune, the action shots on the football and basketball pages were made available to the Rhorea staff.

The Great Bend Black Panthers tied for fifth place in the WCKL with 7 wins and 11 losses. Several of these games were lost on close decisions during the final minutes of the game. During the regional tournament held in Great Bend, the Panthers were beaten in the first round of play by the Hays Cadets.

Sickness and injuries kept two seniors from completing the season with the squad. Black Panther fans can look forward to a promising season with the returning group of sophomores and juniors.

Win First Place in WCKL

The 1959 track team took first place in the WCKL last year. The boys did a very fine job in every event with the 880 yard relay team consisting of Leonard Jamerson, Larry and Jerry Condit, and Jerry Price excelling.

The relay team set a new record of 1:30.8 at the Hutch Invitational meet and a new record of 1:31.4 at the regional meet. In the regional meet Jerry Condit placed second in the 100 yard dash and second in the 220 yard dash. The mile relay team placed fourth.

The team this year coached by Jack Hague, a graduate from Ft. Hays College, should be equally as strong in the dashes as last year. The squad may be a little weak in the weight events as some of the "big men" graduated. The boys will be running on a new volcanic ash track known as "Red Dog."

Don Herbal, Dale Cates, and Larry Condit were the big guns in the hurdles last season. Larry will return this season for more action on the new track.

Doug Gunn, a graduate of 1959 was the No. 1 javelin man for the Panthers.

The mile relaymen for the 1959 season were from left to right Larry Condit, Jim Adams, Dale Cates, and Richard Spong. All but Dale will return for the 1960 season.

Burnsmen Have Good Season

Coach Al Burns fielded another fine baseball team last spring. The Panthers had a fine record considering that it was a young team. The nine were eliminated in the first round of the tournament by Newton by the score of 4-1 although they did put up a good battle.

The team this year will field 11 returning letter-men, with a new field of Sophomores out for their first try at high school baseball who should give a good account of themselves. The Panthers will be lacking in the pitching department due to the loss of their big guns via graduation. However, the Sophomores will be trying to take over the upper classmen.

Four Seniors ready to start action in the infield are Mark Hutton co-captain, Robert Noblitt, Dale Perry, and Jim Langrehr.

Larry Weatherbee and Don Boxberger are useful in either the outfield or the infield.

Raydon Robel and Harry Wilson co-captain, are both Senior lettermen. Raydon is No. 1 catcher for the Panthers, while Harry sees most of his action at third base.

Golfers Hope to Qualify for Regionals Here

Coach Dale Howell, golf coach, has high hopes for the golf team. Don Reynolds, Val Lindholm, Kent Olson, Bob Minor, and Danny Foss are returning lettermen.

The two man team consisting of Larry Sisk and Quentin Button took first place in the WCKL league in 1959 and qualified for the Regional tournament in Wichita at the end of the "59" season.

Last year the team placed in four out of their nine meets.

An eighteen-team regional tournament has been scheduled in Great Bend for the first time.

Interest in Tennis Runs High

With only three returning lettermen--Ron Ross, John Edmond, and Joe Robinson--the 1960 tennis group plans to build a squad. Coach Forrest Nelson has a team consisting mostly of juniors and sophomores who are willing to work hard. The team will participate in exchange meets and in league and regional tournaments.

The 1959 tennis season was not impressive as the boys won very few of their games. Charles Brown, science instructor, was the coach for the 1959 season.

Having only one loss, the 1959 girls' tennis team had a very successful season. Some of the teams with whom Great Bend exchanged meets were Lyons, Pratt, Russell, and Hays. To finish the 1959 season the team took second place in the invitational tournament.

The 1960 team anticipates another good season as the following lettermen return: Carol Leinmiller, Janet Herl, captain; Peggy Ohl, Barbara Nuss, Karen Gillig, Laveda Kaiser, and Karen Swartz.
